

# Directions to Taylor Fork Ecological Area

- HOW TO GET THERE:**
- Directions from Google Maps are accurate!
  - From McKinney Skills Dr. take the gravel road on the right
  - After 1/2 mile reach a closed gate, pass through the gate and close it
  - Continue another 1/2 mile on gravel road through an active cattle farm
  - From gravel parking area, walk through gate at bottom of hill and close it behind you

- TRAIL RULES:**
- Open Sunrise to Sunset
  - All dogs must be on leash
  - Clean up pet waste
- The trails are 2.5 miles in total length. The 10 interpretive signs can be used as landmarks. There are no other trail signs. Use the satellite view of a map app to find your location. Head downhill to find entrance/parking area.
